BANNERGHATTA ROAD CAMPUS

"Education is not the amount of information that is put into your brain and runs riot there, undigested, all your life. We must have life-building, man-making, character-making, assimilation of ideas."

- Swami Vivekananda

CUSBMA 2024 VALEDICTORY CEREMONY

6th April, 2024

Joseph Albin and Shriyaa Paravasthu set the stage for the proceedings. Dr. Bidisha Sarkar, the Faculty Coordinator, extended a warm welcome, followed by insights from Dr. Rashmi Rai, the Head of Department. Dr. Jyothi Kumar, the Dean, shared valuable perspectives with the gathering. As the Student Representatives (SRs) made their entrance, Dr. Rashmi Rai recognized association members with certifications of appreciation and deserving recipients received awards.

Reports from the CUSBMA and CUSBMA Tourism highlighted their activities, followed by club reports showcasing diverse undertakings. The excitement peaked with the presentation of trophies and a captivating laser show, capturing festers in a memorable picture.

Transitioning to the new SRs, the emcees introduced a video marking their entry and the passing of the mantle. The incoming SRs unveiled their proposed calendar of events and travel opportunities, while committee heads were announced, setting the leadership structure for the upcoming session.

Concluding the formal session was a media and productions video, followed by a heartfelt vote of thanks, expressing gratitude to all involved in making the event a success. Thus, the formal session ended, marking the beginning of the informal segment.

10th April, 2024

The students of 4 FIB B, accompanied by Dr. Prathibha Raj as the faculty supervisor, embarked on a visit to the UR Rao Satellite Centre in Bangalore. The primary objective of this excursion was to offer students a firsthand understanding of the operations and research procedures conducted by the Indian Space Research Organisation (ISRO). Specifically, the visit aimed to delve into the intricacies of the Chandrayan 3 mission and to explore ISRO's extensive history and various missions.

The visit to the UR Rao Satellite Centre provided an enlightening glimpse into India's space exploration efforts, with a particular focus on the Chandrayan 3 project. As an integral part of ISRO, the center specializes in satellite technology and space exploration.

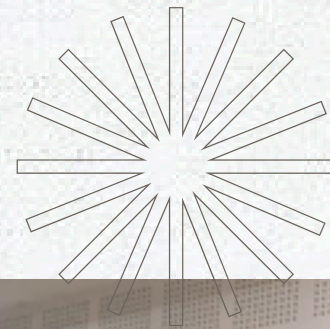

Before commencing the tour, students received a detailed briefing from representatives of the center, familiarizing them with the objectives and operations of the Chandrayan 3 mission, as well as the technical intricacies involved in its launch and landing processes.

Throughout the visit, students were guided through the various facilities at the UR Rao Satellite Centre, where they had the opportunity to witness exhibits showcasing ISRO's achievements, past missions, and significant milestones. A highlight of the tour included a visit to the clean room, where satellite assemblies and rover components are meticulously handled and assembled.

The students extend their sincere appreciation to the college, particularly to Dr. Rashmi Rai, the Head of Department, and Dr. Prathibha Raj, the faculty supervisor, for organizing and facilitating this enriching visit to the UR Rao Satellite Centre. They acknowledge that this opportunity provided them with a unique insight into the field of space research and technology.

FOCUS GROUP DISCUSSION

19TH APRIL 2024

On April 19th, 2024, the Department of English and Cultural Studies at CHRIST (Deemed to be University), BGR Campus, in collaboration with the Mozilla Responsible Computing Challenge, organized a Focus Group Discussion (FGD) as part of the project titled "Integrating Ethics in Technical Communication: Redefining English Language Pedagogy for the Students of Technology in India." The project is led by Dr. Surya Kiran (Principal Investigator) and Dr. Muskaan (Co-investigator). Mr. Jibu Elias, Fellow/Country Lead of Mozilla RCC - India team, facilitated the FGD session.

Under the guidance of Dr. Surya Kiran (Principal Investigator), Dr. Muskaan (Co-Investigator), along with Ms. Atheena Herbert (Research Assistant), Ms. Adrita Bhattacharya, Ms. Sebanti Hui, Ms. Sreesha Chakrabarty, and Ms. Devika Menon (Research Interns), the session commenced with an introduction about the speaker provided by Dr. Surya Kiran. Mr. Jibu initiated the discussion by exploring the students' existing knowledge and learning methods regarding AI. The agenda of the Focus Group Session was shared, and insights were provided on the Micro Credential Course - GICM, which Mr. Jibu and his team are developing. The purpose of such sessions was explained to the students – to gather firsthand information on the understanding and usage of AI among university students, aiding in the development of improved Digital Skill Courses across India, Vietnam, and Bangladesh.

**12TH APRIL TO 16TH
APRIL 2024**

INTER-CLASS BADMINTON TOURNAMENT

From April 12th to 13th, 2024, CHRIST (Deemed to be University), Bangalore, Bannerghatta Road Campus, organized the Inter-Class Badminton tournament, drawing participants from various classes of the BGR Campus. The tournament was split into two time slots and featured 17 classes competing for the title of champions of the Inter-Class Badminton Tournament 23-24. The event aimed to promote healthy competition and instill values of sportsmanship, teamwork, and discipline among participants. It provided a platform for student athletes to demonstrate their skills and abilities, fostering recognition and appreciation for their efforts. Additionally, the tournament aimed to promote physical activity and well-being among participants, contributing to a healthier campus culture and lifestyle. The success of the event highlights the university's dedication to nurturing well-rounded individuals with both academic and athletic excellence.

INTER-CLASS 3V3 BASKETBALL TOURNAMENT

From April 15th to 16th, 2024, CHRIST (Deemed to be University), Bangalore, Bannerghatta Road Campus, hosted the Inter-Class 3V3 Basketball Tournament (Men & Women), drawing participants from various classes of the BGR Campus. The tournament, conducted in two separate time slots, featured 17 classes competing for the title of champions of the Inter-Class 3V3 Basketball Tournament (Men & Women). The event aimed to promote healthy competition and instill values of sportsmanship, teamwork, and discipline among participants. It provided a platform for student athletes to showcase their skills and abilities, fostering recognition and appreciation for their efforts. Additionally, the tournament aimed to promote physical activity and well-being among participants, contributing to a healthier campus culture and lifestyle. The success of the event highlights the university's commitment to nurturing well-rounded individuals equipped with both academic and athletic excellence.
